

Upper Gastrointestinal Cancer Course

Newcastle Surgical Training Centre

15th – 16th January 2024

COURSE DIRECTOR:

Mr Alex Phillips
Consultant Surgeon

TARGET AUDIENCE:

- Senior Trainees (ST5+)
- Consultant surgeons

SPECIAL FEATURES:

Lectures and videos provide step by step tuition for the use of minimally invasive techniques in the resection of upper gastrointestinal cancers. Hands on surgical dissection using fresh frozen cadavers includes:

- Laparoscopic gastric mobilization
- Thorascopic oesophagostomy
- Open cervical exploration

And much more
